## Whomsoever It may Concern

We have been using Technovision make online UPS systems for last 15 years for our various testing equipments. Over a period of time Based on their support & technical abilities we have also purchased stabilizers & isolation transformers from them.

All the equipments have been working perfectly & we are getting good after sales service from Technovision service team.

We wish a long term business relationship with team Technovision in the future.

Thanking You

Regards

For Gabriel India Ltd.
