Fax: +91 2135 670713 / 16 CIN: U75220MH2012PLC233889

## Whomsoever It May Concern

We wish to inform you that we have been using Technovision make 40KVA static frequency Converter.

It was supplied & installed by Technovision team in the financial year 2018-19.

Since then it has become an integral part of our defense equipment testing system. It enables us to test our equipments both in three phase & single phase with 60 HZ frequency.

It has been running seamlessly for last two years.

We are happy with the technical expertise & after sales support of Team Technovision.

We wish them the very best for their upcoming projects.

Thanking You

Regards

For Mahindra Defense Naval Systems Pvt Ltd.
